Best selling Fabric Dye at home in Japan

Our values: USP

1. Gentle on Fabrics

Elevate Fabric Care with our Gentle Dye!

Our dyes prioritize the delicate nature of fabrics. With a mild touch, they ensure the shortest dyeing time and the lowest dyeing temperature, preserving the integrity of your textiles.

2. Toxic-Free Commitment

Our commitment is not just a promise!

Our unwavering dedication to offering safe and eco-friendly products spans years. Pioneering the eco-conscious movement, we proudly achieved the world's first ECO-PASSPORT certification for hand-dye in 2017.

Our values: USP

3. Beautifully Packaged, Effortlessly Used

Unwrap Joy! Unleash Color!

We prioritize simplicity in home dyeing. Our user-friendly approach is reflected not only in product ease but also in charming packaging. Enjoy the art of dyeing without complexity.

4. Uncompromised Quality from Our Own Facility

Guarantee of Quality from Raw Material to Delivery!

As the exclusive manufacturer of hand-dyed products nationwide in Japan, we guarantee top-tier quality by overseeing the entire process of production to shipping. Our in-house manufacturing facilities enable us to actively and flexibly cater to diverse customer needs.
