

[How to start]

<Start 1st row>Left side : Leave about 30cm thread at the beginning of the stitch and stitch to the left.

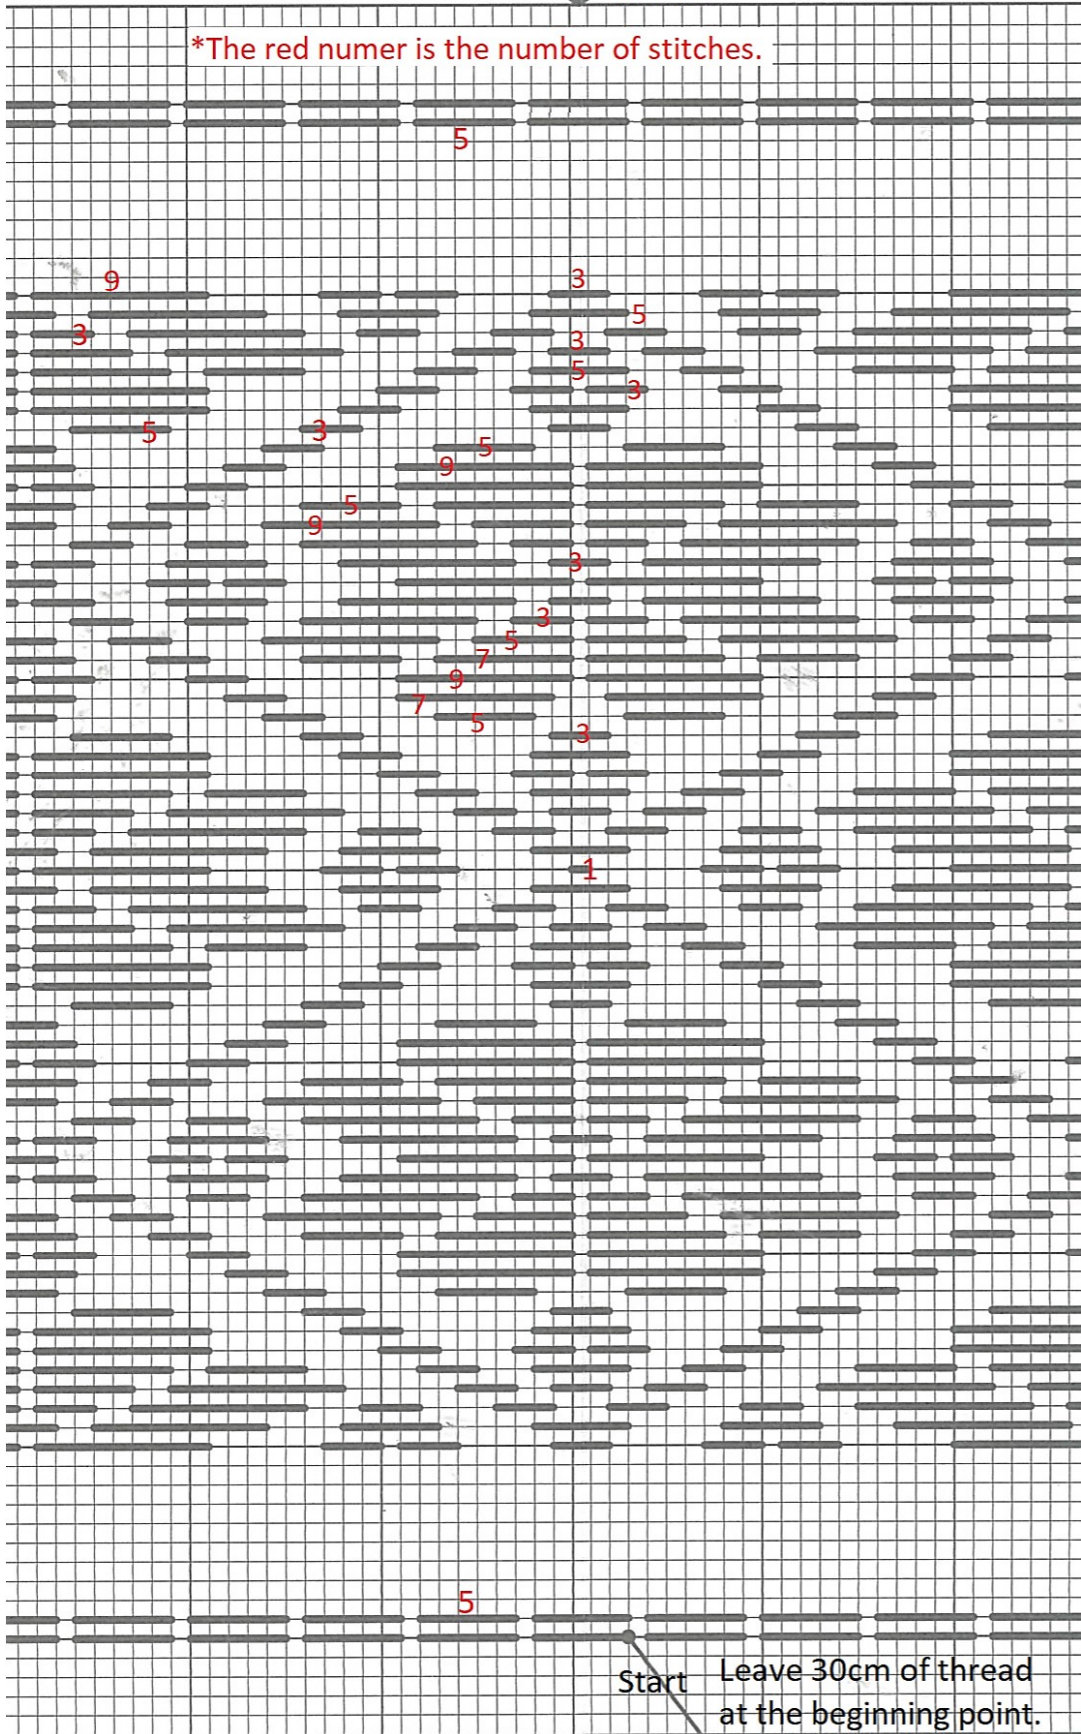

Start with the mark ● in the middle of the figure.

When you come to the left end, scoop 2 to 3 stitches back at the wrong side.

<1st row>Right side : Use the 30cm thread left first. And go to the right end. And move to the 2nd row.

<2nd row>Go from right to left end. Then repeat in the same way.
